Be Prepared When You Travel!

If you carry our VISA debit card and/or MasterCard and plan to travel outside of Wisconsin, call us with the dates and locations of your travel to reduce any transactions that may come up as suspicious due to being out of state. At the same time you contact us, make sure we have an accurate cell phone number for you. If a fraud specialist wants to verify if a transaction is legitimate and cannot get ahold of you, your card may have a temporary block placed on it.

Are You Planning Any Home Projects?

Open a **Home Equity Line of Credit** for your spring home improvements. A HELOC provides a source of funds that you can draw on as needed with no annual fee. Only pay interest on the amount you have borrowed and reuse your line of credit as you repay. Why use retail chain credit cards for home improvements when a HELOC has **lower monthly payments** and may be tax deductible? * **Call us today!**

*Consult your tax advisor about deductibility.
