

Part-time Member Service Representative

20 to 30 hours per week

\$10.50/hr to \$13.00/hr based on experience

Do you have an awesome attitude, love helping people, and want to help the planet? If you said yes to all three, then we want to meet you!

Evergreen Credit Union, the most environmentally responsible credit union in Wisconsin, is looking for a part-time Member Service Representative (MSR) to join our team. MSRs work directly with our members, assisting with their day-to-day financial transactions like deposits, withdrawals, and loan payments. They also answer members' questions in-person and on the telephone about their accounts and services. The teammate we are looking for will be able to work between 20 and 30 flexible hours each week, including two or three Saturday mornings per month. Previous customer service and/or cash handling experience are helpful, but not required.

Before we ask you to tell us about yourself, it is only fair that we tell you a bit about us, right? First, we are the only environmentally focused community credit union in Wisconsin. The majority of the electricity we use is made with our rooftop solar array. We have actually gone beyond carbon neutral status by offsetting more carbon than our operations produce. We also operate as a "zero waste" facility according to the EPA guidelines. That means we divert more than 90% of our waste away from landfills through our recycling and composting efforts. We have done all that (and more) while being one of the top performing credit unions in the Fox Valley. Check out our website and our Facebook page to find out more about us.

So what's in it for you? Obviously we have the basics like great starting pay, paid time off (even for part-time employees), and ongoing training and coaching. But we offer way more than the basics. Do you like good food? The credit union participates in a local organic CSA that the employees share. Do you like puppies? Who doesn't, right? We hold monthly pet adoption events right at the credit union. Do you like to be involved in the community? We reward our teammates for volunteering their time with local organizations. Cool, right? These are just a few examples; we are always looking for new and fun ways to make Evergreen Credit Union more than just a job for our teammates.

If you can't wait to be part of this awesomeness, [send us your resume](#) today!
